Dear

The North Kaibab Ranger District recently sent you a notice regarding the availability of a campground concession prospectus. This document described our two campgrounds and one group area. There were two mistakes in the descriptions of the campgrounds in the document.

The two mistakes were:

1. Jacob Lake Group/Picnic Area – There is no host site or power at the group campground.
2. DeMotte Campground – There are four dumpsters at DeMotte Campground, instead of two.

We apologize for any inconvenience this may have caused you. If you have any questions please contact Kevin Larkin at (928) 643-8135 or at klarkin@fs.fed.us.

Sincerely,

/s/ Kevin Larkin
